Comparable vehicles used in the determination of the Base Vehicle Value are not intended to be replacement vehicles but are reflective of the market value, and may no longer be available for sale.

List Price is the sticker price of an inspected dealer vehicle and the advertised price for the advertised vehicle.

Distance is based upon a straight line between loss and comparable vehicle locations.

¹The **Condition Adjustment** sets that comparable vehicle to Good condition, which the loss vehicle is also compared to in the Vehicle Condition section.
