Complaint Detail

Describe your complaint in detail for my mobility issue and we went round and round and after many procedures they did nothing. This company also promised to help pay for a drug that my wife needs and they provided absolutely nothing. They went through all the motions and strung me out for 6 months until after my procedure. I canceled this policy.

Documentation

Please list any documentation that you may have to support your allegations. This policy was purchased on the phone, and I was crazy enough to believe that since I called the Obamacare hotline, that the company was legitimate.

Final Step

Are you willing to testify if proceedings are initiated by the Tennessee Insurance Division? Yes No
I hereby attest that the information contained in this complaint is true and accurate to the best of my knowledge.
