Ok, today works good for us.
We will meet you at the Mexican restaurant near Food City.
I think that's La Carretta?

We can do that, and the Mexican restaurant would be fine.
Today or tomorrow or when is best for you?

I am also requesting to meet with you off ITH property please. I do not feel safe meeting on the ITH property. If at the Krystals, Miranos, the Mexican restaurant etc.
Thanks so much.

I have had a chance to step back and recollect on exactly what is going on. I apologize for being so frustrated in the past emails....I'm sick of this craziness...I have gathered all of my notes and emails, I also may have grounds for libel on someone who has opened up a Facebook page under ITH name called "Incredible fans of Tiny homes"

I am NOT saying that I am coming after ITH, however there are people that are opening up pages just to slander and victimize people in the community under ITH, me being the main 1.
This absolutely sickening and a attack against me.I have had to see a physician just to get anxiety medications because I am feeling threatened and unsafe now.
This is also an attack against ITH by these same people.
I have those emails as well.
I'm going to prove to you and Randy that the very people that try to start drama, are the very people that drive business away for your company.
I'm ready to fight this battle.
Be blessed. See u at 4:30 pm

Amanda. God bless your soul...that is EXACTLY what is going on...I am being targeted, did you overlook when I stated, that I have been harassed and threatened?!
You just overlooked my half of the story...this is how I know I'm being slandered....I'm black and I'm a target..period point blank.....know my side before you look at all the WHITE FOLKS that signed that PETITION...and Lisa, is NOT BLACK.

Shonda, we would never slander your name behind your back.
We are requesting the meeting for the reason you mentioned, your music.
We have gotten several complaints that it is too loud and it is disruptive to those around you.
If you would like your neighbors to be at the meeting, we can request that as well.
Shonda, we want a peaceful solution for you and them.
We are not against you and we are trying to be neutral in the matter.
I hope we can help you and your neighbors to work these issues out.
Let's plan for Monday and if anything changes, I will let you know.
Have a great restful weekend and we will see you on Monday.
Thank you, Amanda

Yes. That is fine. But I would like to also request to have this meeting with all those that have an issue with me and my music.

I feel that if you are going to slander my name behind my back you should do it in front off my face.

I have also been threatened and harassed by certain individuals and have had to call cocke county on one issue.
